JACKSON SAFETY

MASKER AND EARLOOP

R05 Disposable Dust Mask

- Product Features**
- Wide, comfortable, user-preferred head straps
 - Dual exhalation valves designed and positioned to help reduce eyewear fogging
 - Adjustable head straps
 - Soft, comfortable, foam nose pad with a cloth layer
 - Not made with natural rubber latex
 - Meets heat and flame resistance per ANSI/ISEA 110-2009
 - Recommended for welding applications

R10 N95 Particulate Respirator with Comfort Straps

- Product Features**
- Wide, comfortable, user-preferred head straps
 - Adjustable head straps
 - Soft, comfortable, foam nose pad with a cloth layer
 - Not made with natural rubber latex

R10 N95 Particulate Respirators

- Product Features**
- Comfortable, soft foam nose pad
 - Highly visible, color-coded straps
 - Knitted elastic straps ultrasonically attached
 - Not made with natural rubber latex
 - Code 64340 meets heat and flame resistance per ANSI/ISEA 110-2009

R10 N95 Particulate Respirator with Comfort Straps & Dual Valves

- Product Features**
- Wide, comfortable, user-preferred head straps
 - Dual exhalation valves designed and positioned to help reduce eyewear fogging
 - Adjustable head straps
 - Soft, comfortable, foam nose pad with a cloth layer
 - Not made with natural rubber latex
 - Meets heat and flame resistance per ANSI/ISEA 110-2009
 - Recommended for welding applications

H10 Metal Detectable Disposable Earplugs

- Product Features**
- Designed to deliver on performance and comfort and help you improve compliance all through the day
 - Distinctive color for easy compliance monitoring
 - Individual packaging for hygienic storage, universal size
 - Metal embedded in the earplug for easy detection
